

SPONSORSHIP OPPORTUNITIES

Canadian League Against Epilepsy

WHO WE ARE

The Canadian League Against Epilepsy is an organization of medical and basic sciences professionals with over 270 members, including physicians, scientists, nurses, neuropsychologists, neuroradiologists, students, and other health professionals.

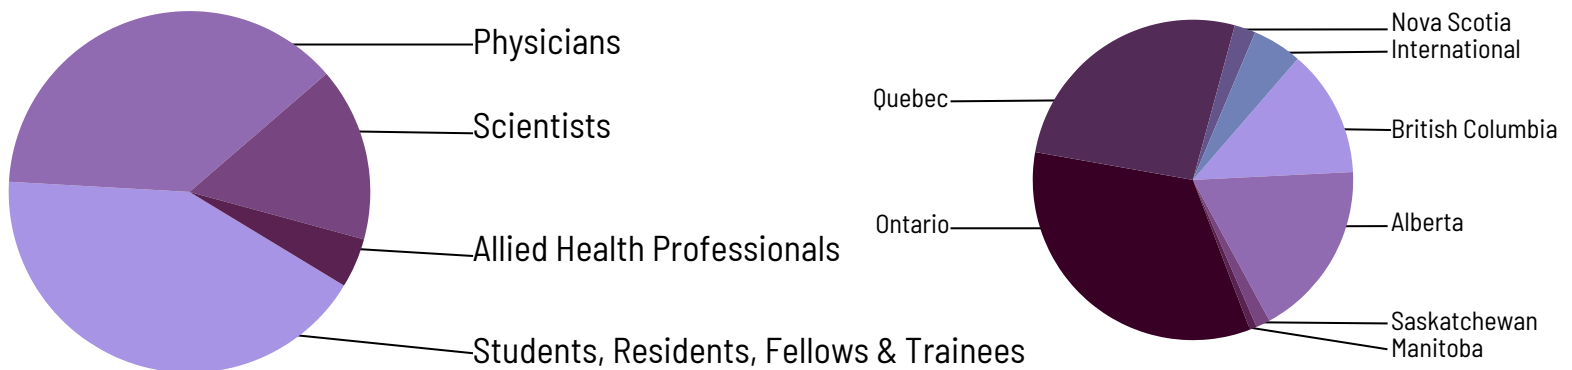

OUR GOAL

Using research, our goal is to develop innovative therapeutic and preventative strategies to eradicate the consequences of epilepsy. We also want to translate these discoveries into effective therapies for all Canadians. The CLAE Annual Scientific Meeting brings together our members to learn and apply key advances in the field of epilepsy. This meeting is more than a scientific meeting; it's also an eventful get-together coupled with an unparalleled networking opportunity.

WHY BECOME A CONFERENCE SPONSOR?

PROMOTE & SHOWCASE your services and solutions to an audience of major industry leaders while fostering opportunities with key physicians and healthcare professionals from across the country; **SHOW YOUR SUPPORT** for CLAE by supporting our mission to enable Canadians affected by epilepsy to live a life that is not limited by their condition; and **BE RECOGNIZED** within the medical community as a valued and trusted partner.

WHO ARE OUR DELEGATES?
