

Department of Surgery  
OFFICE OF THE CHAIR & CHIEF

Département de chirurgie  
BUREAU DU CHEF ET DIRECTEUR

#### A. JOB IDENTIFICATION

Position Title	Adult Epilepsy Neurosurgeon
Reports To	Division Head, Division of Neurosurgery & Chief, Chair, Department of Surgery
Status	FTA
Effective Date	Late Summer 2021
Salary Type	Fee for Service
Location	Ottawa, ON

#### B. POSITION SUMMARY

The Department of Surgery at the Ottawa Hospital is inviting applications for a permanent position in the Division of Neurosurgery. We seek one full-time Neurosurgeon with postgraduate fellowship training of at least one year in epilepsy surgery. The surgeon will be performing cranial and spinal neurosurgical procedures while focusing on epilepsy surgery. In addition, the surgeon will be expected to take general neurosurgery call and is expected to engage in education, research and quality initiatives.

#### C. REQUIREMENTS

- The candidate must be eligible for appointment at the rank of Assistant professor or higher.
- The candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada as well as licensure with the College of Physicians and Surgeons of Ontario.
- The candidate must have coverage with the Canadian Medical Protective Association (CMPA).
- The successful candidate must have demonstrated outstanding knowledge, skills and ethical standards as evidenced by strong letters of reference.
- Candidates with experience in building an epilepsy program and leading multidisciplinary epilepsy rounds will be strongly considered.
- Proficiency in both English and French is an asset.

#### D. TERMS OF EMPLOYMENT

The income for this position is derived from a variety of sources including but not limited to clinical billings (fee-for-service). Health and welfare benefits including extended health, dental and disability insurance as well as life insurance are offered to full-time surgeons.

#### E. EXPECTED RENUMERATION

\$400,000-\$600,000 per year

## F. ADDITIONAL DETAILS

- The epilepsy program is a growing and dynamic subspecialty in Ottawa. It is the adult pillar of the Ottawa Epilepsy Program ([ottawaepilepsyprogram.ca](http://ottawaepilepsyprogram.ca)). We have an active general epilepsy clinic with multiple subspecialty clinics, including a first seizure clinic, a women with epilepsy clinic and an epilepsy transition clinic for pediatric patients graduating from the Children's Hospital of Eastern Ontario (CHEO). We are currently looking to expand our 2-bed inpatient EMU to 4 beds. Our EEG laboratory currently has 3 cEEG machines for monitoring in the critically ill, 4 routine video EEG machines and the ability to perform ambulatory video EEG monitoring for outpatients.
- The Ottawa Hospital is a 1150 bed tertiary-care hospital serving Eastern Ontario and Western Quebec at four inpatient sites (Civic, General, Heart Institute, and the Rehabilitation Centre) and one ambulatory centre (Riverside). There are approximately 50,000 inpatient admissions, 160,000 emergency visits and over one million outpatient visits annually.
- The city of Ottawa provides a thriving multicultural and bilingual environment. Ottawa boasts numerous cultural activities as well as readily accessible sporting and natural resources, making it an ideal family and healthy living environment.
- All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
- The University of Ottawa is an equal opportunity employer. We strongly encourage applications from women, Aboriginal peoples, persons with disabilities, bilingual persons (French and English) and members of visible minorities. If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require by contacting the Office of the Associate Vice-President, Faculty Affairs at 613-562-5958. Any information you send us will be handled respectfully and in complete confidence.
- The University of Ottawa is proud of its 160-year tradition of bilingualism. Through its Official Languages and Bilingualism Institute, the University provides training to Faculty members in their second official language.
- Please submit a letter of intent, curriculum vitae and the name of three referees to the following contact.

**Application deadline is July 21st, 2021.**
